**HUGGING TEDDY
BEAR**

**Teddy is warm
And cuddly too
He's always there
Cuddled up close to you
Hugging your teddy's
A great thing to do
Because he will always
Be there loving you**

KITES

If you go to the park
On a bright windy day,
You will see the kites flying
Up high and away.

Box kites, with tails spinning
To keep them aloft.
They dip to the ground
Where their landing is soft.

A dragon with colourful
Billowing tail.
Its wings filled with air
Standing up like a sail.

One kite, just a disc,
With a large smiley face,
Laughs at the wind
As it picks up the pace.

And then there's the one
You and I made at home
That has broken its string
So the worked it can roam.
